

QUALITY FEATURES

Lyon Solutions to Locker Abuse

- 1" thick door formation
- Integral door frame
- 1 piece top, back and bottom for locker group
- Mig-welded construction
- Continuous piano-hinges
- Front and rear bottom reinforcements
- Powder coat
- Multiple latching options
- One piece doors formed from 14-gauge prime, high grade class 1 steel

- Three latch points on single tier doors and two on double and triple tier doors
- One piece recessed handle pockets add strength to the handle area and eliminate the vulnerable seams of formed handles

All lockers shown with optional diamond perforations.

Single Tier IFAW Lockers

are widely used to provide ample storage for full length garments with shelf space for books, electronics and other articles.

Double Tier IFAW Lockers

are designed for short period use, or where short coats and jackets are worn.

Triple Tier IFAW Lockers

save valuable floor space. Often used in combination with single tier and double tier lockers to make P.E. class lockers.

Multiple Tier IFAW Lockers

Often used with Lyon single tier and double tier lockers to make P.E. lockers.

LOCKER FEATURES

M.I.G. welded bottom channels

create solid footing beneath each locker body and strengthens locker bottoms. Optional 4" high bases (not shown) afford additional clearance below door openings, prevent accumulations of dust underneath.

Full length **piano-hinges** maintain positive door alignment, prolong smooth operation.

HANDLE OPTIONS

Recessed Handles* with finger lift offer added safety and security, clean flush mount appearance. Standard on single, double, triple-tier lockers.

Single Point Recessed Handle Latching System* operates with no additional moving parts. Available on single, double, triple-tier lockers. Not available on 9" wide lockers. Standard for multiple tier lockers.

Turn Handles have built-in padlock attachments, and heavy-duty, 3 point locking mechanisms that fully engage the frame. Available on single, double, triple-tier lockers.

Tamper Guard Handles* have built-in padlock loop and slim profile. Available on single, double, triple-tier lockers.

*Lyon lockbar is standard.
